## 一.产品特点

1. 本产品采用最新调音技术,内置大自然白噪声,能有效改善睡眠,提高睡眠质量。
2. 本产品体积小,便于携带,可出差使用,LED夜明灯,方便夜间使用。
3. 本产品最佳使用场景是把音箱放在床头边,设置好时间,即可无干扰聆听音乐,消除杂念,快速入睡

## 二.主要技术参数

1. 播放时长:最大音量可达3-4小时
2. 输入:5V-500mA
3. 输出:1W-2W
4. 充满电:1小时
5. 产品重量:50g
6. 产品尺寸:60\*30mm

## One Product Features

1. This product adopts the latest tuning technology and is equipped with natural white noise, which can effectively improve sleep and enhance sleep quality.
2. This product has a small size, is easy to carry, and can be used for business trips. It is equipped with LED night lights, which are convenient for night use.
3. The best usage scenario for this product is to place the speaker by the bedside, set the time, and listen to music without interference, eliminate distractions, and quickly fall asleep.

## Main technical parameters

1. Playback duration: up to 3-4 hours of volume
2. Input: 5V-500mA
3. Output: 1W-2W
4. Fully charged: 1 hour
5. Product weight: 50g
6. Product size: 60 \* 30mm

**FCC Warning:**

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

**Caution:** Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 0cm between the radiator and your body.
