SUBJECT: Class II Permissive Change for FCC ID: 2A7DJ-2346766867652, approval date: 10/18/2022

Dear Examiner,

This is to request a Class II Permissive Change application for above referenced device.

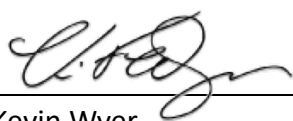

The change filed under this application is:

1. The thickness of the rear cover rises
2. The speaker and rear camera modify
3. The number of shielding cases increases from 1 to 2.
4. Update the main PCB to the new version
5. GPS & Wi-Fi antenna pattern change
6. WWAN main antenna pattern change

Software security remains unchanged from the original application.

Please refer the change note for more detail information about the modification.

Sincerely,

12/05/2024
