

Label location statement

FCC part 15.19(a) When the device is so small or for such use that it is impracticable to label it with the statement specified under [paragraph \(a\)](#) of this section in a font that is four-point or larger, and the device does not have a display that can show electronic labeling, **then the information required by this paragraph shall be placed in the user manual and must also either be placed on the device packaging or on a removable label attached to the device.**
