warranty. Warranty remains in effect for three years from the date of the first consumer purchase.

3-YEAR LIMITED WARRANTY

WHO IS PROTECTED BY THIS WARRANTY

Warranty protects the original owner and all subsequent owners, provided that the ADV, product was purchased from an authorized dealer in the United States. A copy of the original dated bill of sale must be presented whenever warranty service is required.

U.S. Warranty - For warranty information outside the U.S.,

please contact your local distributor. Warranty service is

only available in the country of original purchase. This is

an important document. Attach your bill of sale to this

card and keep it in a safe place. Your bill of sale is your

WHAT IS COVERED BY THIS WARRANTY

Except as specified below, the ADV. warranty covers all defects in material and workmanship. The following are not covered: damage caused by accident, misuse, abuse, product modification or neglect; damage occurring during shipment; damage from failure to follow instructions contained in the instruction manual; damage resulting from the performance of repairs by someone not authorized by ADV; damage caused by installation of parts that do not conform to ADV specifications; units used for other than home and office use; units not used for their intended purpose; any claims based on misrepresentations by the settler; products sold on an "as-is" or final sale basis; or the cost of installing, removing, or reinstalling the unit. ADV's liability is limited to the repair or replacement, at our option, of any defective product and shall not include incidental or consequential damages. ADV. reserves the right to replace a discontinued model with a comprable model. Am replacement units or parts may be new or rebuilt.

TO OBTAIN WARRANTY SERVICE

If you require warranty service, please return the product to your dealer. If this is not possible and you live in the United States, please email supportlady-sound.com for information on how to obtain service or replacement. If purchased outside the United States, contact your local dealer for repair or replacement. You are responsible for transporting your product for repair or replacement.

FCC Caution:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- -Reorient or relocate the receiving antenna.
- -Increase the separation between the equipment and receiver.
- -Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- -Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
