

SRR520 Radiation Patterns

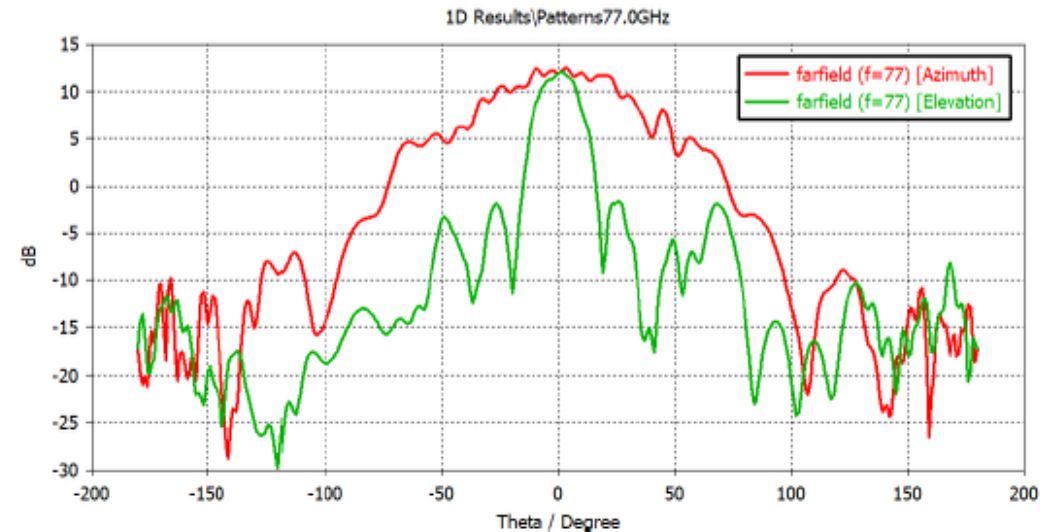

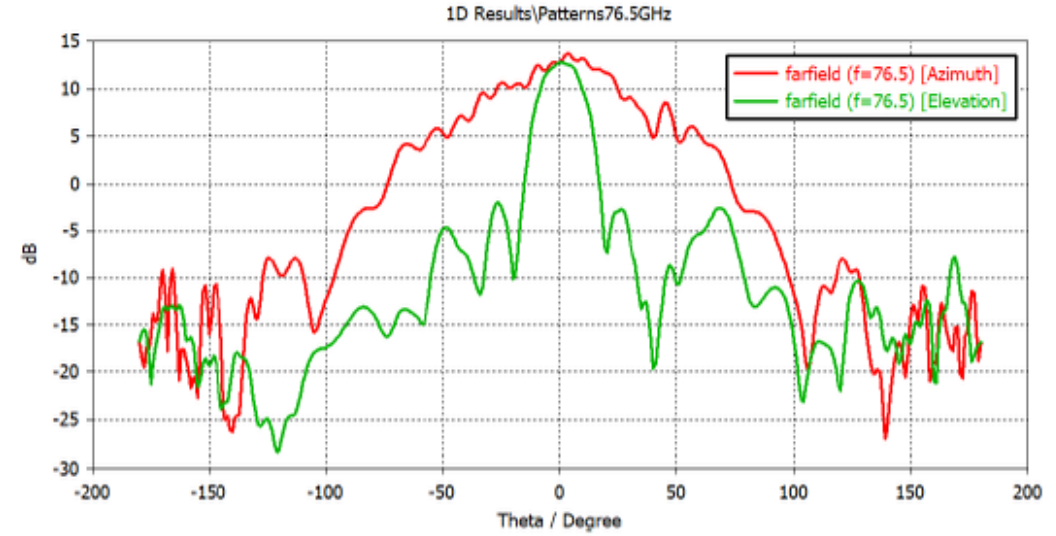

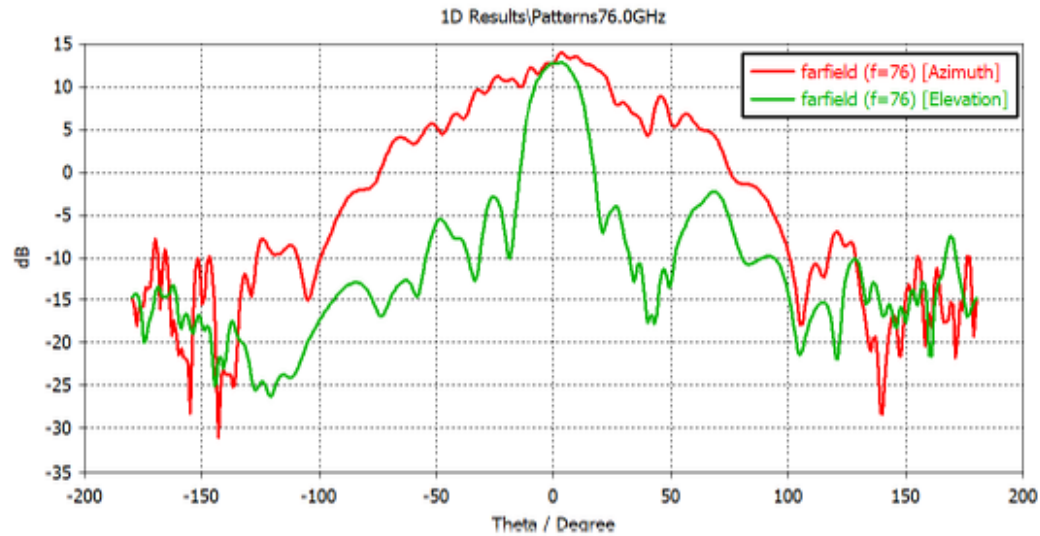

SRR520 uses 3 Tx antennas and 4 Rx antennas to radiate the microwave signals generated by radio frequency (RF) chip into the air and receive echoes reflected by targets.

Model: RFSRR520

Manufacturer: Beijing Jingwei Hirain Technologies Co., Inc.

Mailing Address: 4F, Block 1, No.14 Jiuxianqiao Road, Chaoyang District, Beijing,
P.R.China

Gain Patterns

Freq. (GHz)	Gain (dBi)
76.0	13.8
76.5	13.4
77.0	12.6
