View 2**

Solder Board-Component View 1	 A photograph of a green printed circuit board (PCB) component, labeled 'Solder Board-Component View 1'. The component is rectangular and features a silver USB-A connector on the left side. A white label with a QR code and the text 'MAC-7400C/61379' is attached to the board. Several colored wires (red, yellow, blue, black) are soldered to the right side of the board. The component is placed on a blue textured surface next to a black ruler with white markings in millimeters. The ruler shows measurements from 0 to 100 mm.
Solder Board-Component View 2	 A photograph of the same green PCB component, labeled 'Solder Board-Component View 2'. This view shows the reverse side of the component. It features a gold-plated edge connector on the right side, with several colored wires (red, yellow, blue, black) soldered to it. The board has several circular mounting holes and some surface components. The component is placed on a blue textured surface next to a black ruler with white markings in millimeters. The ruler shows measurements from 0 to 100 mm.
