Solder Board-Component View 7	 A photograph of a green printed circuit board (PCB) component, labeled 'J1', positioned horizontally. The board is placed on a blue textured surface. A black ruler with white markings is visible on the left and bottom, showing measurements in millimeters. The PCB has two circular mounting holes at each end and a small component labeled 'J1' in the center. Text on the PCB includes 'HH100', 'HH100-LED-A2_PCB', and '2021-10-25'.
Solder Board-Component View 8	 A photograph of a green printed circuit board (PCB) component, labeled 'J1', mounted on a larger, square, silver-colored metal plate. The plate has several small blue screws around its perimeter. The PCB is positioned in the center of the plate. A black ruler with white markings is visible on the left and bottom, showing measurements in millimeters. The PCB has a large copper pad on the left side and a small component labeled 'J1' in the center. Text on the PCB includes 'HH100', 'HH100-LED-A2_PCB', and '2021-10-25'.
