

A black, dome-shaped electronic device, possibly a microphone or a small speaker, is shown from a top-down perspective. It has a cable with a small connector attached to its base. A red arrow points to a small, circular, recessed feature on the base of the device. The device is placed on a blue surface next to a ruler for scale. The ruler shows measurements in centimeters and inches.

Technical drawing of the floor lamp base. The drawing shows the base with dimensions: 95.79 mm (width) and 100.35 mm (depth). The central opening has a diameter of 35.51 mm. The base is labeled with the brand name "Govee" and the model number "Govee Floor Lamp". The drawing also shows the internal components, including the lamp head and the base. The text "菲林内容与壳料左右居中" (The film content is centered left and right with the shell material) is present. A note "注意方向" (Pay attention to the direction) is also included.
