

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

For power board model: H7124_POWER_V1.0

EUT View 1	 A photograph showing the front of a white, rectangular electronic unit. The top edge features a black control panel with several circular icons. Below the panel is a large, white, rectangular grille with horizontal slats. The unit is placed on a blue surface, and a metal ruler is positioned horizontally below it for scale.
EUT View 2	 A photograph showing the side of the same white electronic unit. It is a simple, rectangular box with a white finish. The unit is placed on a blue surface, and a metal ruler is positioned vertically to its left for scale.

EUT View 3

EUT View 4

EUT View 5	 A photograph showing the front view of a white, rectangular electronic unit. The front face is covered in a dense grid of small circular perforations. A white power cord is plugged into the bottom right. A metal ruler is placed horizontally below the unit for scale, showing it is approximately 15 cm wide. The background is a solid blue surface.
EUT View 6	 A photograph showing the side view of the same white rectangular unit. It is a slim, vertical device. A white power cord is visible at the bottom. A metal ruler is placed horizontally below the unit for scale, showing its height is approximately 15 cm. The background is a solid blue surface.
