|                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>EUT View 3</p> |  A photograph of a white, cylindrical electronic unit (EUT) against a blue background. The unit has a smooth upper half and a lower half covered in a fine grid of small circular perforations. A metal ruler is placed vertically to the left of the unit, showing its height is approximately 15 cm. The unit is positioned slightly to the right of the ruler's edge. |
| <p>EUT View 4</p> |  A photograph of the same white, cylindrical electronic unit from a slightly different angle. The unit is white with a perforated lower section. A metal ruler is placed vertically to the left of the unit, showing its height is approximately 15 cm. The unit is positioned slightly to the right of the ruler's edge.                                               |

|                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>EUT View 5</p> |  A photograph of a white, cylindrical electronic unit (EUT) against a blue background. The unit has a smooth upper half and a lower half covered in a fine grid of small circular perforations. A small circular feature is visible near the bottom of the perforated section. A metal ruler is placed vertically to the left of the unit for scale, showing measurements in centimeters. |
| <p>EUT View 6</p> |  A photograph of the same white, cylindrical electronic unit from a slightly different angle. The unit's design, including the perforated lower section and the small circular feature, is consistent with View 5. A metal ruler is placed vertically to the left of the unit for scale, showing measurements in centimeters.                                                            |
