

A photograph of an ESP32-WROOM-32UE module. The module is a small, black PCB with a white label in the center. The label contains the text: "ESP32-WROOM-32UE", "FCC ID: 2A7XS-ESPWROOM32UE", and "IC: 29657-ESPWROOMUE". The module is placed on a blue textured surface. To the left of the module is a black ruler with white markings and numbers, showing the module's size. A gold-colored SMA connector is visible on the right side of the module.
