VI.Packing details:

Electronic drum x 1	USB data cable x 1	Manual x 1
Drum stick x 2	Double pedals x 1	

VII.Product specifications:

- 1.Input voltage: DC 5V 1A
- 2.Rated voltage: 3.7V
- 3.Battery capacity: 1800mAh
- 4.Charging time: 3 hours

Precautions!

- 1.If abnormal sound is heard,the battery power may be low at thistime.Need to charge in time.
- 2.If you hear an abnormal sound or the function fails,Please turn off and turn on again,Restore the original settings.
- 3.Before using this product,please place the product in a stable place for operation.So as not to affect the normal function of the product and the normal use of the user.
- 4.Don't pull, Twist or squeeze the drum head hard,Sharp objects and heavy objects are strictly prohibited on the drum surface.
- 5.Do not place this product in a place with high temperature,humidity or strong electric waves,So as not to affect the normal function and service life of the product.
- 6.It is strictly forbidden to disassemble any parts of this product.

FCC Warning:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 0cm between the radiator and your body.
