Append manual

PRODUCT NAME: REMOTE CONTROL CAR

MODEL: TD203

MANUFACTURER: SHANTOUSHI CHENGHAIQU XIONGMUWANJUSHANGHANG

ADDRESS: NO.3-2, BLDG 4, NORTH OF THE XINXIN LU, XIMEN, CHENGHUA, CHENGHAI DISTRICT, SHANTOU CITY, GUANGDONG, CHINA 515800

The product can use in all European members without restrict.

Hereby, SHANTOUSHI CHENGHAIQU XIONGMUWANJUSHANGHANG declares that the radio equipment type 2.4g SRD is in compliance with Directive 2014/53/EU.

The full text of the EU declaration of conformity is available at the following internet address: <https://bezgar.com/pages/doc>

Temperature category II (Portable): -10 °C to +55 °C;

The operation frequency range is 2410MHz~2473MHz

the max RF power is 0.011mW.

Note

· Electronic control product

This product is suitable for children aged six or above. Please pay attention to and prevent electric shock when using electronic products.

· Please use the product under the supervision of adults.

Warning: Please do not disassemble or modify this product, or it may not function properly due to any change.

Operation tips

1. Only the original batteries and charging device provided by our company are recommended.
2. A full charge takes 90 minutes. The LED indicator turns red when charging, and turns off when charging is complete.
3. Do not mix new and old batteries.
4. Do not mix alkaline, standard (carbon-zinc, or rechargeable nickel-cadmium) batteries.

CAN ICES-003(B)/NMB-003(B)

This device contains license-exempt transmitter(s)/receiver(s) that comply with the Innovation, Science and Economic Development of Canada's license exempt RSS(s).

Operation is subject to the following two conditions:

(1) This device may not cause interference.

(2) This device must accept any interference, including interference that may cause undesired operation of the device.

FCC:

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:

(1) This device may not cause harmful interference.

(2) this device must accept any interference received, including interference that may cause undesired operation.

Product name: REMOTE CONTROL CAR

Model: TD203

Manufacturer: SHANTOUSHI CHENGHAIQU XIONGMUWANJUSHANGHANG

Address: NO.3-2, BLDG 4, NORTH OF THE XINXIN LU, XIMEN, CHENGHUA, CHENGHAI DISTRICT, SHANTOU CITY, GUANGDONG, CHINA 515800

NOTE: This equipment has been tested and found to comply with the limits for a Class B

digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: —Reorient or relocate the receiving antenna. —Increase the separation between the equipment and receiver. —Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. —Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
