FC COMPLIANCE STATEMENT:
This device complies with part 15 of the FCC Rules.
Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) this device must accept any interference received,
including interference that may cause undesired operation.
Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
FC Radiation Exposure Statement:
The device has been evaluated to meet general RF exposure requirements.
The device can be used in portable exposure condition without strict limitation.
Note: This equipment has been tested and found to comply with the limits for a class B digital device, pursuant to Part 15 of the FCC Rules. The limits are designed to provide reasonable protection against harmful interference in a residential installation.
This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.
Please use this product within an effective distance (10M unobstructed);
If not applicable for a long time, please store the headset in a dry place, charge it at least once a month to prolong battery life and avoid extreme temperature and dust;
Please dispose of batteries and headphones in accordance with local regulations, do not dispose of it as household waste generally discarded.
Notice of changing other device, please follow above step to pairing.

Precautions

A
• Do not use corrosive cleaners to clean the headset;
• Do not expose the earphones to excessively high temperatures, please keep the earphones at room temperature;
• Do not let the headset touch sharp objects to avoid scratches and damage;
• Please stay away from places where WIFI routers and other Bluetooth devices are concentrated, and avoid other Signal equipment interferes with this product;
• Please use this product within an effective distance (10M unobstructed);
• If not applicable for a long time, please store the headset in a dry place, charge it at least once a month to prolong battery life and avoid extreme temperature and dust;
Please dispose of batteries and headphones in accordance with local regulations, do not dispose of it as household waste generally discarded.
