

Difference Statement

We Shenzhen Fengdian Technology Co., Ltd Claim that we are applying for FCCID certification for products: Automobile Data Recorder, with many models: M8S, i1, i2, i3, i4, i5, i6, i7, i8, i9

The motherboard circuits, BOMs and PCBs are consistent, only model names are different, but these differences will not affect the EMC/RF performance of the products themselves, so the test model is M8S.
