7435 Oakland Mills Road

Columbia, MD 21046

Dear Sir or Madam:

The chip EC21-A installed in our product Shower Alarm (model name: 911S2, FCC ID: 2A8AB911S2), which support LTE B2/B4/B12, WCDMA B2/B4/B5 and GPS. But for the product, it only activates LTE B2/B4; the other fuctions are disabled by using software and end user can not activate them.

Please contact me if there is need for any additional clarification or information.

Best Regards,

Sincerely Yours,

Signature:
