Dear Sir,

Please be advised that **Target Corporation** ("Target") has retained the services of the company detailed below, ("Company") to prepare and submit an application and certain documentation related to Target's Parallel Shelf Edge Camera (ParSEC) to Nemko North America, Inc. ("Nemko"), an authorized telecommunications certification body, for review and type certification (the "Purpose").

With respect to the Purpose, Target authorizes Company to (a) submit an application and certain documentation related to Target's Parallel Shelf Edge Camera for review and type certification by Nemko, (b) serve as the main point of contract for the type certification review and application process, and (c) prepare and submit any follow-up documentation required to complete the type certification process for ParSEC.

Target hereby authorizes Company, through the following specifically-identified individuals, to perform the tasks set forth above.

Company: Underwriters Laboratories Taiwan Co., Ltd.

Address: Building B & E, No. 372-7, Sec. 4, Zhong-xing Rd., Zhudong Township, Hsinchu County, 310, Taiwan

Name: Sally Lu

Should you have questions, please contact Sandeep Tammana ([Sandeep.Tammana@target.com](mailto:Sandeep.Tammana@target.com)).

Sincerely,

A handwritten signature in black ink, appearing to read "Jim Ostergaard".

Jim Ostergaard  
VP, Infrastructure
