

## Quick Start Guide

### Included In-Box:

- Device
- Power Adapter

### Set Up Your Device:

#### 1. HAVE YOUR WI-FI AND PASSWORDS READY

During setup, you will connect to the internet and sign into your account.

#### 2. PLUG YOUR DEVICE INTO A POWER OUTLET

Use the included power adapter. In about a minute, the display will turn on.

#### 3. SCAN THE QR CODE

Scan the QR code and follow the instructions on the screen

#### 4. COMPLETE SETUP IN THE APP

Log in with an existing account username and password or create a new account. Follow the instructions in the app to complete setup.

Note: If you aren't prompted to set up your device after opening the app, tap More to add your device manually
