A close-up photograph of the BT840F-V6 module on the PCB. The module is a small, rectangular component with a green surface. It features a large, square, gold-colored label with the following text: "FC FANSTAR™", "CE", "BT840F", "201-190701/00", "FCCID:X8WBT840F", and "IC:4100A-BT840F". Above the label, the text "BT840F-V6" and "E339347" are visible. To the right of the module, a red arrow points to a small, square, gold-colored component labeled "FPC Antenna".
