Specifications:

- Model :H03
- Bluetooth version:V5.4
- Voltage rating and battery capacity: 3.7V/400mAh
- Charge time: Around 1.5 hours
- Music playing time:About 60h
- Bluetooth profiles supported: A2DP 1.3.2\AVCTP 1.4\AVDTP 1.3\ AVRCP1.6.2\ HFP 1.8 \SPP 1.2\RCCOMM 1.1\PNP 1.3\HID 1.1.1\SDP CORE5.3\2CAP CORE 5.3
- Operating frequency: 2.402-2.480 GHZ
- S/N Ratio: 62dB
- Working temperature range:-10+50°C.
- Maximum transmission range: ≤15M

Important Notice:

- Please make sure the product is fully charged before initial use.
- Please use the brand adaptor complying safety requirements to charge this product.
- Double-click the to switch between game mode and normal mode
- If your cellphone can not find "H03", please double check if your cellphone Bluetooth is at "Equipment visible mode". After initial pairing the headphones will automatically pair for repeat use. If no use for a long time, need to follow up pairing procedures to pair with the cellphone.

IC Warning:

This device complies with Industry Canada's license-exempt RSS. Part 1 is subject to the following two conditions:

- This device may not cause interference; and
- This device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence.

L'exploitation est autorisée aux deux conditions suivantes :

- l'appareil ne doit pas produire de brouillage, et
- l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

L'appareil a été évalué pour répondre aux exigences générales d'exposition aux RF. L'appareil peut être utilisé en condition d'exposition portable sans restriction.

FC Warning:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE 1: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

NOTE 2: Any changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
