Federal Communications Commission  
445 12<sup>th</sup> Street SW  
Washington, DC 20554

Subject: Class 2 Permissive Change (C2PC) Request for 2A8U9-NEMP00539  
Northeast Monitoring Inc  
FCC ID: 2A8U9-NEMP00539

To Whom It May Concern:

We, Northeast Monitoring Inc, hereby request a C2PC for FCC ID number 2A8U9-NEMP00539.

This change is being requested due to the following changes:

- The Telit unit with ID LE910C1-NF will be integrated into Northeast Monitoring's Product "Gateway 2" with FCCID 2A8U9-NEMP00539. The item to be marketed under FCCID 2A8U9-NEMP00539 is a complete product and not module that can be integrated into any further product.
- The Module will be used in closer proximity to the user than the minimum required distance by the original approval therefore appropriate testing has been conducted to show the continued safety of this product.
- The Module will be integrated into a final end-user product with all antennas and power supplies as a finished product. The product will not be sold or marketed in such a way as for the user to be able to perform further integrations.

The product, as marketed, will be electrically identical to the version tested and reviewed in the application for this approval.

This is to advise that we are in full compliance with the Anti-Drug Abuse Act. The applicant is not subject to a denial of federal benefits pursuant to Section 5301 of the Anti-Drug Act of 1988, 21 U.S.C. 862, and no party to the application is subject to a denial of federal benefits pursuant to that section.

If you have any questions or comments, please do not hesitate to contact me.

Sincerely,

David Hubelbank

*Principal Engineer*
