

VIVILUMENS

AROMATHERAPY SPEAKER
USER MANUAL

1 FEATURES

2 OPERATION GUIDE

Getting started

1. Toggle the power switch to the left to power on with a prompt sound.

3 CHARGING INDICATOR

1. The indicator turns red when the speaker is being charged.
2. The indicator turns green when the speaker is fully charged.
3. The indicator blinks slowly when the speaker is in low battery.

4 Wireless speaker pairing

1. The light on the Aromatherapy Diffuser Plate sparkles slowly, indicating the device is searching for pairing.
2. At this moment, turn on the BT function of your mobile phone, select the "AS1T-W" from the list of available device.
After successful pairing, the prompt sound will ring up again and the light on the Aromatherapy Diffuser Plate will stop sparkling.
3. If the pairing failed for more than 10 minutes, the wireless speaker will automatically switch to Sleep mode. Repeat the getting started process.

5 Basic functions of knob switch

1. Single click the switch to play or pause the audio.
2. Hold and press for 3 seconds to disconnect the pairing. The wireless speaker will automatically switch to search for pairing.
3. Double click to turn on/off the light on the Aromatherapy Diffuser Plate.
4. Rotate to adjust the volume: clockwise to raise or counter-clockwise to lower the volume.
