These documents contain detailed system and equipment descriptions and related information about the product, which INTIS considers to be proprietary, confidential, and a custom design and otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, INTIS feels that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Please contact me if there is any information you may need.

INTIS d.o.o. Bani 73a, Zagreb (4)

Sincerely,

Must be signed by the applicant contact cited as technical or non-technical contact on the 731 form provided to Eurofins MET Labs, or by the authorized agent if an appropriate authorized agent letter has been provided. Letters signed by the applicant should be placed on applicant letterhead.
