

- The label is laminated with a PET sheet over a printed substrate so that the printing is not easily erased.
- Durability is assured by passing the IEC 62368-1 Annex F.3.10 test.

§ 15.19(a) Information

Display information

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

How to display information

To display precautions and authentication information about the wireless LAN function, follow the steps below.

1. In the shooting mode menu or playback mode menu, press the F4 key to display the setup menu.

The Setup Menu appears.

2. Select [Wi-Fi Settings] on tab 5.

3. Select [Information Display]

User's Manual
