<p>2. On/Off Turn on the earbuds from the charging case to turn on both earbuds, and they will enter Bluetooth mode automatically. Put back the earbuds to the charging case and close the lid to turn off.</p> <p>3. Bluetooth Connection </p> <p>For the first connection, open the lid of the charging case, take out both earbuds, and they will enter Bluetooth mode directly after opening the lid. Earbuds pairing mode: primary earbud flashes blue and white, and secondary earbud flashes red and white. Search for "Dumb MC BH035", select to connect, and the earbuds will automatically pair with the phone. When the earbuds are turned on again, they will connect to the last paired device automatically. If the earbuds are disconnected, they will enter Bluetooth pairing mode automatically.</p> <p>4. Dual Earbuds TWS Connection Both earbuds were paired with each other when they were produced at the factory.</p> <p>5. Clearing Pairing History Make sure the earbuds were not connected to any device. Press and hold the touch button on any of the earbuds for FOUR times in any of the following ways: a. Single earbud pairing (alternately tap left earbud and right earbud until the earbuds have no lighting) b. Dual earbuds pairing (left earbud and right earbud are both tapped simultaneously for 1 second then go off.) Turn off the earbuds by placing them into the charging case to clear the earbuds to sync with your device.</p> <p>6.
