ID Diagram

How to use

Step 1: Connect the receiver to phone with port.

Step 2: Press switch key of microphone, the indicator light turns green, and then power is turned on.

Switch key

Step 3: The indicator light of receiver keeps always on, then open the phone camera, live App or other Apps, and then to use the microphone to receive sound.

Indicator green light always on

Special Note:
For the use of port: there is no battery in receiver, and no need to recharge during live. If the phone is low power during Live, it can be recharged directly through Type-C port. Do not use fast charging chargers
