RE: Request for Change in ID

< [Yummly Inc.](#) > Original FCC ID: < [2AVXTYTE010W5MB](#) >
Original Grant Date: < [10/06/2022](#) >
< [ORKA SAS](#) > New FCC ID: < [2A9BR74500R](#) >

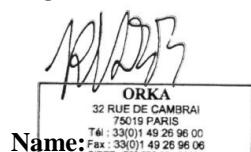

To Whom It May Concern:

< [ORKA SAS](#) > verifies the equipment bearing the modified identification does not differ from the original equipment, there are no differences in terms of both hardware and software. The only difference is branding: the original equipment carries < [Yummly Inc.](#) > brand, the equipment bearing the changed identification carries < [ORKA SAS](#) > brand.

The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

If you required any additional information, please contact us.
