TO WHOM IT MAY CONCERN

Aquis Systems AG requests a long term confidentiality for internal photos according to document "726920 D01 Confidentiality Request Procedures v01r02.pdf" – Equipment authorization confidentiality request procedures, according to item ii. 3) a):

The internal photos and/or user's manual exhibits may be given Long-Term Confidentiality under the following special conditions :

a) Internal photos

1. May be held confidential if the circuit board or internal components are not accessible to users. For example, it is acceptable if the circuit board is enclosed in epoxy.

This is valid for the product series TM1XXX / TM2XXX and therefore internal photos should be kept as long-term confidential. The electronic boards are completely covered with a black, non-transparent casting compound (Wepuran VU4447/31, company Peters).
