Re: Class 2 Permissive Change (to Limited Module in specific configuration)

To Whom It May Concern:

This application submittal provides documentation in support of a Class II Permissive Change to address multi-transmitter modification in this specific configuration and update listing to limited modular authorization. The module has been granted under FCC ID: 2A9CG-SAL2, issued 03/10/2023. The equipment remains electrically identical as original equipment and information on record continues to apply. The change addresses multi-transmitter use with module model: FSC-BT1, FCC ID: 2AMWO-FSCBT1026. The form 731 and application information have been electronically submitted. Supporting exhibits and attachments have been uploaded to your web site to be used in processing for grant of certification. Should you require any further information, please contact the undersigned. Thank you for your consideration in this matter.

Sincerely,

Scot D Rogers
