## First-Time Use Checklist

①

### CHARGE THE DEVICE FULLY

The indicator light will flash during charging.  
It will turn solid when fully charged  
(approximately 2 hours).

②

### POWER ON THE DEVICE

Press and hold the power button for 3 seconds  
to turn on.  
(A quick press will not activate the device.)

## Before Use, Please Verify:

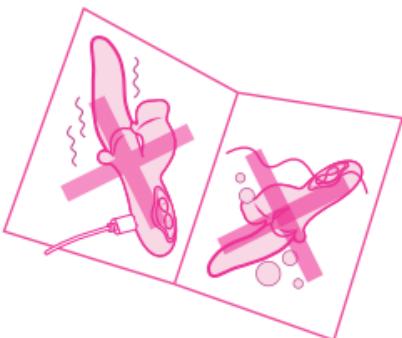

### BOTH CONTROL BUTTONS ARE FUNCTIONAL

The tongue swinging and vibration functions operate independently.  
Experiment with both buttons to find your preferred settings.

④

### SAFETY PRECAUTIONS

Never use while charging  
Do not immerse in water

⑤

### WANT ENHANCED FEATURES?

Download the JOYHUB App to access:

- Remote control functionality
- Music mode
- Custom vibration patterns

and more (see next page for detail)

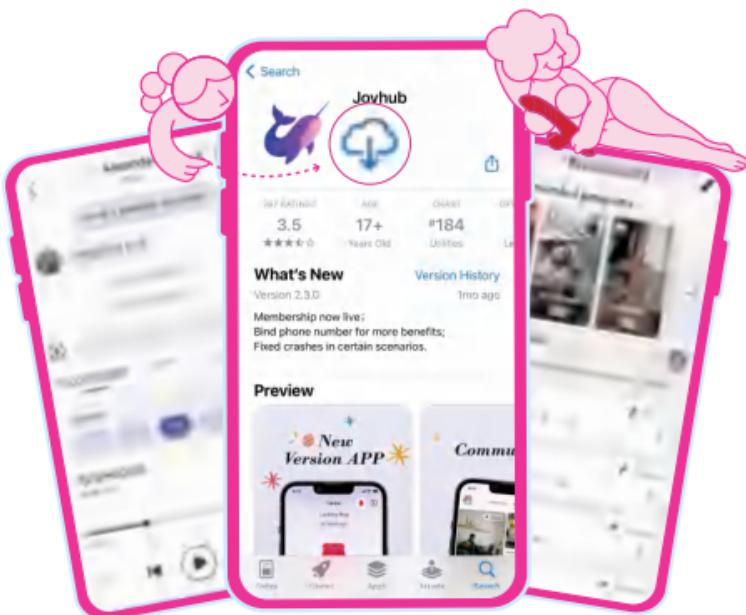

**Toll-Free Support (US/CA): +1 (888) 688-5368**  
**Email: support@toendi.com**

If you run into any issues while using the product,  
feel free to reach out to us.

## Discover The JOYHUB App

Enhance your Veelips experience  
with the JOYHUB App

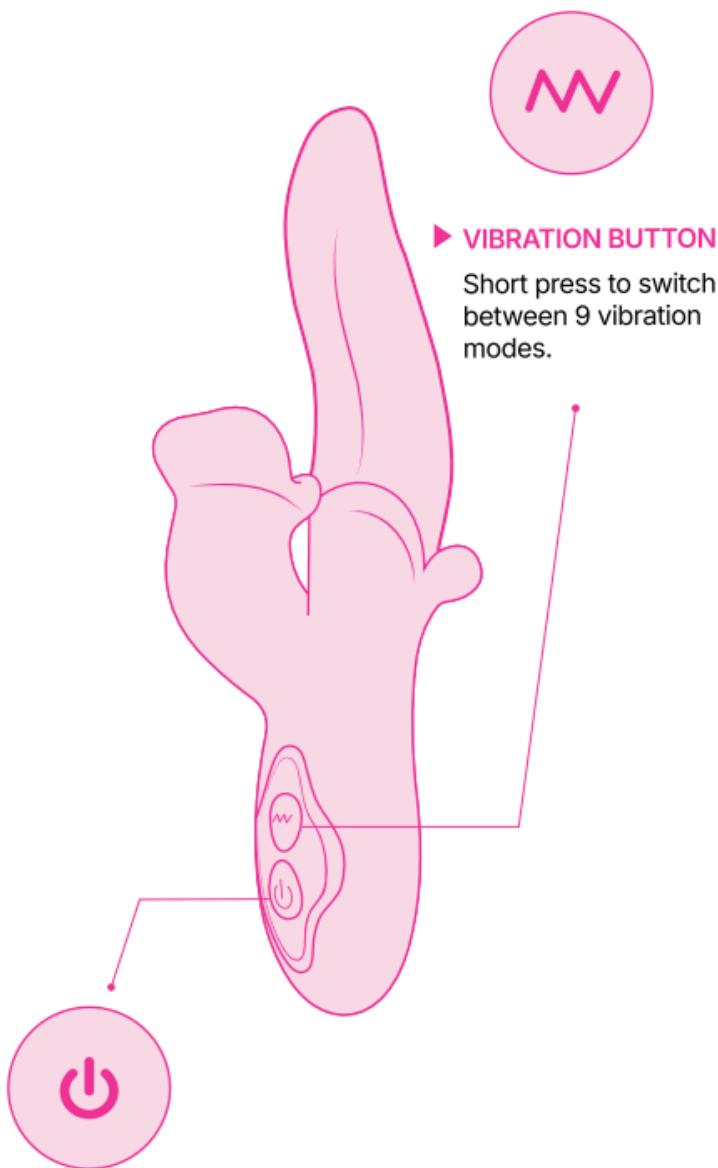

Enjoy remote control, custom vibration patterns, and more.

DOWNLOAD NOW

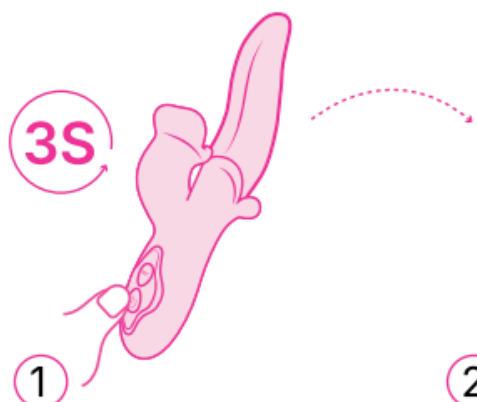

From the iOS App Store, or scan the QR code.  
(Full connection guide on page 5)

## How To Use

\*Fully charge the toy before first use.

## Connect with the JOYHUB App

### TURN ON THE TOY

Press and hold the power button for 3 seconds until the light turns on.

### OPEN THE JOYHUB APP

Ensure wireless connection is enabled on your phone.

4

### PLAY

You can now explore multiple vibration modes, patterns, and remote control options.

3

### CONNECT

If not, try restarting the toy or refreshing BT in the app.

Tips for successful connection:

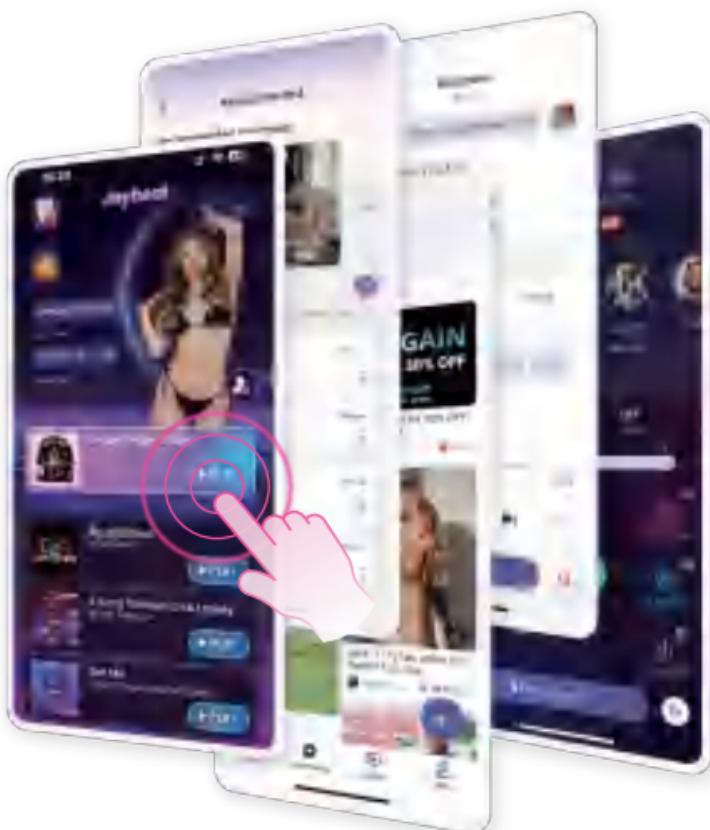

- Fully charge the device before pairing
- Keep the toy powered ON during pairing
- Close and reopen the app if BT fails
- Restart your phone if needed

### DOWNLOAD

# JOYHUB *Smart Control Guide*

## Usage Scenarios Guide

To enhance your experience with Toendi products, we've prepared the following usage scenarios for your reference.

### SOLO

Let Veelips gently vibrate and swing—shake away the day on your clit and G-spot.

### COUPLE PLAY

Connect and shake together—let Veelips thrill your clit and G-spot while your partner controls the pulses, deepening your shared pleasure.

### REMOTE PLAY

Link to the JOYHUB APP. Let your partner tease you with real-time vibrations and thrusts.

### SELF-CARE RITUAL

Light a candle, relax, and let slow waves of pleasure awaken your most sensitive zones.

**FIND YOUR SHAKE WITH VEELIPS.**  
Discover your rhythm. Own your pleasure.

# ***Troubleshooting & Customer Support***

## ***Troubleshooting***

### **MY TOY WON'T TURN ON**

Ensure the device is fully charged.  
If the issue persists, contact support.

### **CANNOT CONNECT TO THE APP**

Verify that the wireless connection is enabled and the toy is powered on.  
If the connection fails, try uninstalling and reinstalling the app.

### **VIBRATION, THRUST, OR PULSE NOT WORKING?**

Switch to a different mode or increase the intensity setting.  
If there's still no response, the product may be defective.  
Contact us for assistance.

FCC Warning:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 0cm between the radiator and your body.
