EUT View 5	 A black electronic device, likely a power supply unit, is shown from a top-down perspective. It is rectangular with a slightly raised front edge. A black ruler with white markings is placed vertically to the left of the device for scale. The device is set against a blue background.
EUT View 6	 A black electronic device, likely a power supply unit, is shown from a front-down perspective. The front panel features a power switch, a green indicator light, and several ports (USB, FireWire, and eSATA). A black ruler with white markings is placed vertically to the left of the device for scale. The device is set against a blue background.

EUT View 7	 A black rectangular electronic unit is shown against a blue background. A metal L-shaped ruler is placed next to it for scale. The unit has a small connector on the top left and several ports on the top right.
EUT View 8	 A close-up view of the rear panel of the black electronic unit. It features several ports and indicators: an optical port labeled 'OPTICAL', a green LED indicator, a 'RESET' button, an 'AUX' port, a 'USB' port, a 'GTF' port, and a 'DC 5V' port.
