

# Qi2® 15 W WIRELESS MAGNETIC CHARGER WITH RING

## User manual

Model No. HKWP21071-15L

This is a wireless charging pad that allows you to enjoy fast wireless charging easily. Please read the user manual before using and keep it for future reference.

### Specifications:

Input: 5 V/3 A, 9 V/2.22 A

Output: 5 W, 7.5 W, 15 W

Total Output: 15 W

## **Package Contents:**

1. Wireless charging pad with ring and cable
2. User manual

## **Operating instructions:**

1. Connect Type-C plug to a power adaptor (please use a minimum 20 W power adaptor).
2. Place your wireless charging-enabled phone horizontally in the centre of the wireless charger, and ensure that the back of your phone is aligned with the charging area of the wireless charger. If your phone is off due to lack of charge, it may take some time to get enough charge to turn on.
3. Once correctly positioned, the wireless charging icon will usually appear on the phone indicating that charging is in progress.

**Warning:** Foreign objects (such as coins, keys, and other foreign objects) within the wireless charging area will affect charging. Please remove these foreign objects from the unit before starting wireless charging.

**Note:** If the phone case is metal, please take off the phone case before charging. If you are having issues with charging, remove your case.

## **Warnings:**

1. Do not squeeze or drop the charger.

2. Do not disassemble or throw into fire or water to avoid causing short circuit leakage.
3. Do not use wireless charger in extremely hot, humid or corrosive environments to avoid damage.
4. Do not place wireless charger close to magnetic strip or chip card (ID card, bank card, etc.) to avoid magnetic failure.
5. Please keep the wireless charger at least 8" (20 cm) from implanted medical devices (heart pacemakers, implantable cochleae) to avoid potential interference with the medical devices.
6. Please keep children away from the wireless charger to avoid unnecessary accidents.

## **Notes:**

1. To activate fast wireless charging mode, please use a minimum 20 W power adaptor; otherwise, insufficient input electric current might cause unstable charging.
2. Please stop charging your device if the charger feels hot to the touch or is overheating. The unit is equipped with safety features that will automatically stop charging when over-heating. Please allow charger to cool to room temperature and begin charging again when it has cooled down.

This Class B digital apparatus complies with Canada ICES-003.

CAN ICES-3(B)/NMB-3(B)

IC: 33892-HKWP21071

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

- (1) this device may not cause interference.
- (2) this device must accept any interference, including interference that may cause undesired operation of the device.

The digital apparatus complies with Canadian CAN RSS-216/CNR-216.

## **RF exposure statement:**

The equipment complies with IC Radiation exposure limit set forth for uncontrolled environment. This equipment should be installed and operated with minimum distance 10cm between the radiator and your body.

Cet appareil contient des émetteurs / récepteurs exemptés de licence conformes aux RSS (RSS) d'Innovation, Sciences et Développement économique Canada. Le fonctionnement est soumis aux deux conditions suivantes:

- (1) Cet appareil ne doit pas causer d'interférences.
- (2) Cet appareil doit accepter toutes les interférences, y compris celles susceptibles de provoquer un fonctionnement indésirable de l'appareil.

Tout changement ou modification non expressément approuvé par la partie responsable de la conformité pourrait annuler l'autorité de l'utilisateur à utiliser l'équipement.

L'appareil numérique est conforme à la norme canadienne RSS-216/CNR-216.

## **Déclaration d'exposition RF :**

L'équipement est conforme à la limite d'exposition aux radiations de la IC établie pour un environnement non contrôlé. Cet équipement doit être installé et utilisé avec une distance minimale de 10 cm entre le radiateur et votre corps.

Product must be recycled or disposed of properly. Dispose of as per the requirements of your local municipality.

Made in Vietnam

Imported by Trileaf Distribution Trifeuil Toronto, Canada M4S 2B8

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception,

which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

#### FCC Radiation Exposure Statement

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 20 cm between the radiator and your body.
