

Name	Portable air conditioner		
Model	YA01		
Rated voltage /frequency	110-120V~,60Hz		
Specifications	Cooling capacity	1500W	
	Rated current	Rated working condition	5.4A
	Rated power		650W
	Maximum input current(UL60335-2-40)		6.3A
	Maximum input power (UL60335-2-40)		750W
	Maximum working pressure (air inlet side/ exhaust side)		0.6/2.6MPa
	Maximum Allowable pressure (air inlet side/ exhaust side)		0.6/2.6MPa
	Maximum working pressure of heat exchanger		2.6MPa
	Air flow volume		290 m <sup>3</sup> /h
Refrigerant	R290/110g		
Electric shock protection category	I		

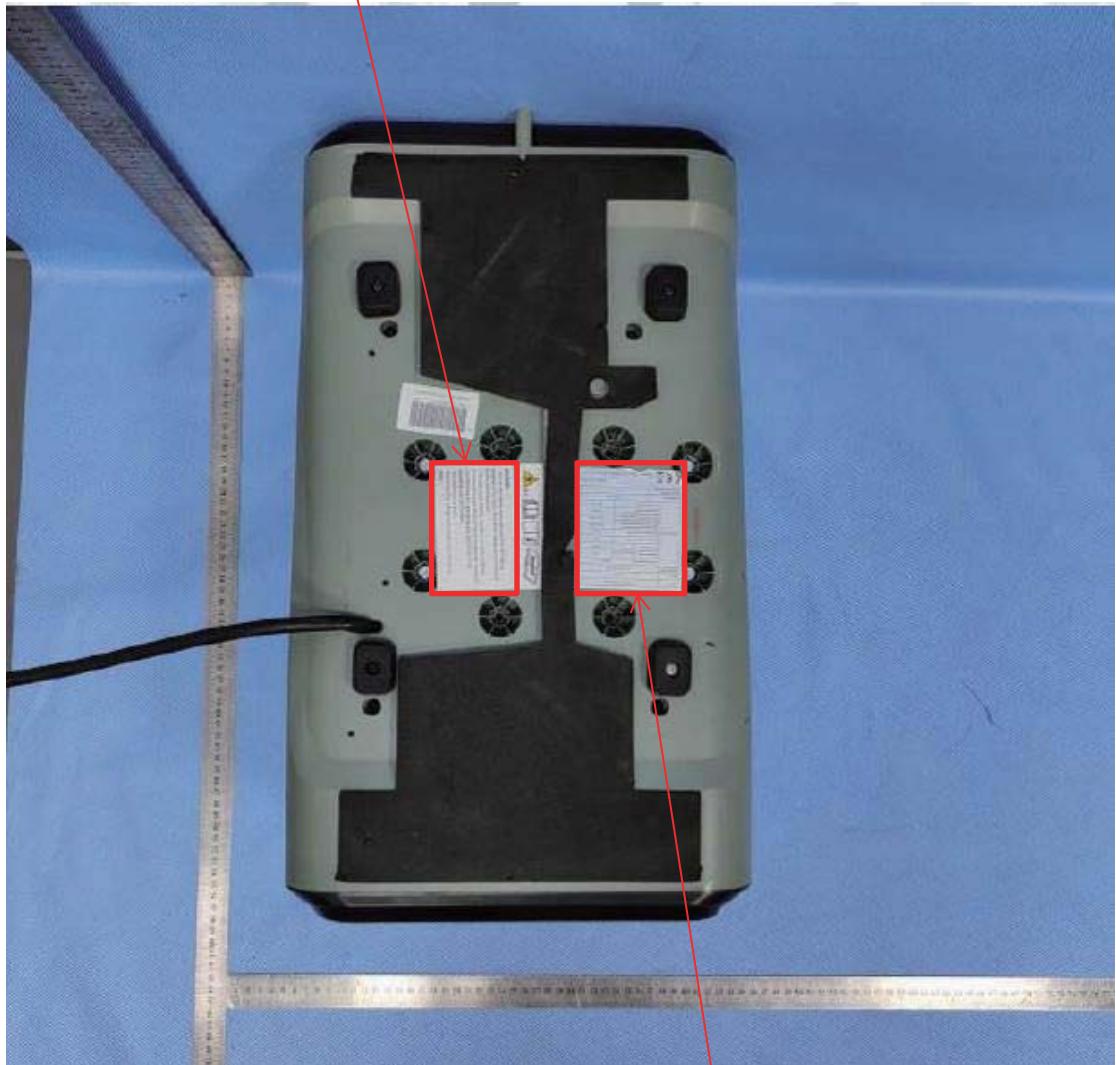

FCC ID: 2A9O8-YA01

  802299

Made In China  
Foshan Alpicool Holding Group Co., Ltd.

This device complies with Part 15 of the FCC Rules.  
Operation is subject to the following two conditions:  
(1) this device may not cause harmful interference, and  
(2) this device must accept any interference received,  
including interference that may cause undesired operation.
