EUT View 5	 A photograph showing a circular, white, slightly raised object (likely a USB drive) resting on a blue textured surface. A black ruler with white markings is placed horizontally next to the object. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10). The object is positioned between the 10 mm and 20 mm marks on the ruler.
EUT View 6	 A photograph showing the same circular, white, slightly raised object from a different angle. It is still on the blue textured surface next to the black ruler. The ruler markings are visible, showing the object's position relative to the 10 mm and 20 mm marks.
