

Solder Board-Component View 6	 A photograph showing a small, dark green rectangular component with white text. The text reads: "10.1寸高清显示屏转接板", "VER:01", and "2017-08-08". The component is placed on a blue textured surface. A vertical ruler is on the left, and a horizontal ruler is at the bottom, both showing measurements in millimeters and centimeters.
Solder Board-Component View 7	 A photograph showing a small, green rectangular component with various electronic components and white text. The text includes: "LED1", "LED2", "LED3", "LED4", "LED5", "MODE", "DATE", and "20240510". The component is placed on a blue textured surface. A vertical ruler is on the left, and a horizontal ruler is at the bottom, both showing measurements in millimeters and centimeters.

Solder Board-Component View 8	 A photograph showing a small green printed circuit board (PCB) component with various electronic components and solder joints. The component is placed on a blue textured surface. Two metal rulers are used for scale: one vertical ruler on the left showing centimeters (1 to 8) and millimeters (0.5 mm), and one horizontal ruler at the bottom showing millimeters (1 to 15). The component is approximately 1.5 cm long and 0.5 cm wide.
Antenna View	 A photograph showing a black cable with multiple colored wires (red, yellow, green, blue, black) connected to a black plastic component. A red rectangular box highlights a specific area of the cable, and a red line points from this box to a label below. The label is a white rectangle with the text "BT/WIFI Ant." inside. BT/WIFI Ant.
