

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: -Reorient or relocate the receiving antenna. -Increase the separation between the equipment and receiver. -Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. -Consult the dealer or an experienced radio/TV technician for help.

Manufacturers of RF lighting devices must provide an advisory statement, either on the product packaging or with other user documentation, similar to the following: This product may cause interference to radio equipment and should not be installed near maritime safety communications equipment or other critical navigation or communication equipment operating between 0.45-30 MHz. Variations of this language are permitted provided all the points of the statement are addressed and may be presented in any legible font or text style.

VF-TL802B

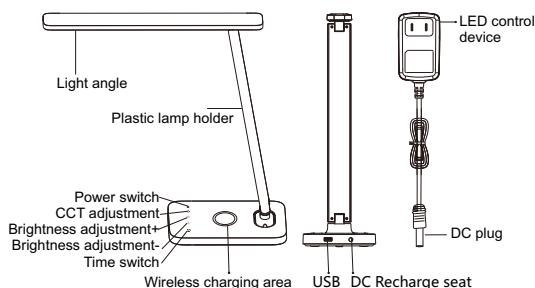

#### VF-TL802B PRODUCT SPECIFICATION

Dear Customer:

Thank you for your choosing our LED Lamp. In order to use this product, please read carefully for the following instructions before use:

##### ◆ PRODUCT STRUCTURE

Note: when the lamp does not light up after power on, please confirm that:  
1. Whether the LED control device is well connected with the mains power  
2. Whether the table lamp and LED control device are connected correctly

##### ◆ PRODUCT PARAMETERS

Model	Rated Voltage	Rated Input Current	Power Factor	Rated Power	USB output	Wireless Charging Output	Light Power
VF-TL802B	100-240V-50/60Hz	0.8A Max	0.5	24W	5V=1A	5V=1A	5.5W

※ Pictures for reference only, subject to our available products ※
