

Type of goods : 2-channel Wi-Fi black box

Product name: Urive I-ShotGun(MD-8500P)

2014-01-16

To whom it may concern:

We recognize that there are something to explain to process certifications.

We hereby certify that a communication device (USB dongle) is permanently fixed on the main PCB with a block diagram. It is internally attached using solder.

Therefore, the communication device (USB dongle) is not detachable from the main device by its users.

Sincerely,

(Joo-ho, Jang / Senior Researcher)
