EUT View 3	 A black electronic device, likely a remote control or a small camera, is shown from a top-down perspective. It has three rectangular buttons arranged horizontally, labeled 'G', 'D', and 'C' from left to right. The device is placed on a light blue textured surface next to a black ruler with white markings. The ruler shows measurements in centimeters and millimeters.
EUT View 4	 The back of the black electronic device is shown. It features a circular lens in the center, surrounded by several small sensors or LEDs. The brand name 'PAPAGO!' is printed vertically on the left side of the device. The device is placed on a light blue textured surface next to a black ruler with white markings, similar to the one in the previous view.

EUT View 5	 A black electronic device, likely a USB dongle, is shown from a top-down perspective. It has a rectangular shape with rounded corners. On the left side, there is a USB Type-A port. To the right of the port is a small, square button with a circular icon. The device is placed on a light blue textured surface. A black L-shaped ruler is positioned next to it for scale. The ruler has white markings in millimeters and centimeters. The device is approximately 20 mm wide and 15 mm high.
EUT View 6	 A black electronic device, likely a USB dongle, is shown from a side perspective. It has a rectangular shape with rounded corners. The device is placed on a light blue textured surface. A black L-shaped ruler is positioned next to it for scale. The ruler has white markings in millimeters and centimeters. The device is approximately 20 mm wide and 15 mm high.
