Overview

The UV-1G Belt Pack is a two-channel full-duplex UHF/VHF wireless intercom system incorporating up to six wireless belt pack units per base station. Each belt pack is capable of simultaneous talk and listen on two separate audio channels. This application is for the belt pack, FCC ID:2AA6F-UV-1GBP, which operates in the 174 – 216 MHz band. The FCC ID for the associated base station is 2AA6F-UV-1GBS and has a separate application for approval.

Confidentiality requested for allowed files. Request is properly addressed and referenced.

Short term confidentiality requested.

Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.

Signature

A handwritten signature in blue ink that reads "Dave Tolman".
