# OVERVIEW

---

## BUTTON

- Power **ON / OFF**:  
long press for 3 seconds
- Press to go to the clock face
- **RESET** long press for 8 seconds

## TOUCH-SENSITIVE AREA

- Tap on the touch-sensitive area to go back to previous menu

## NAVIGATE THE TOUCHSCREEN

- Tap with one finger to open or select a menu item
- Slide to the right for activity menu
- Slide to the left for main menu
- Slide up for notifications
- Slide down for shortcuts

i

If you want to change your **ZeRound2HR** watch face, press firmly on the current watch face, swipe left or right to go through the different watch faces available and tap on the one you want to select and use

# 1. CHARGING

---

Charge ZeRound<sup>2</sup>HR for two hours before your first use

1. Put the charging cradle beneath the watch
2. Make sure the pins on the cradle fit correctly onto the charging terminals on the back of ZeRound<sup>2</sup>HR
3. Connect the charging cradle with the USB cable
4. Plug the big end of the USB cable to a power source
5. A battery indicator will fill to indicate charging is in progress. Once ZeRound<sup>2</sup>HR is charged, the battery indicator will be full

A full charge takes 2 hours. Unplug the cable after ZeRound<sup>2</sup>HR is fully charged. When the battery level gets low, a low battery indicator will appear

## 2. SET UP

---

### STEP 1: PAIR VIA BLUETOOTH

- Enable Bluetooth on your mobile device
- Select **ZeRound<sup>2</sup>HR** in the Bluetooth Devices List

### STEP 2: PAIR VIA MOBILE APP

- Make sure the Bluetooth is enabled on your mobile device
- Download **ZeRound<sup>2</sup> App** from the App store or Google Play Store
- Open **ZeRound<sup>2</sup>** settings tab and click on «**Connect ZeRound<sup>2</sup>HR**»
- Select **ZeRound<sup>2</sup>HR** in the accessory list and tap **Pair** to confirm the pairing

You only need to pair your device once. After the initial pairing, **ZeRound<sup>2</sup>HR** will automatically connect to your phone as long as it is turned on and within range. To pair **ZeRound<sup>2</sup>HR** to another device, repeat the same steps

## System Requirements

### iOS 8+

iPhone 4s, 5, 5c, 5s, 6, 6s, 6s plus, 7, 7 plus, iPad (3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> generation) iPad Mini, iPod touch (5<sup>th</sup> generation)

### SELECT ANDROID 5.0 +

ZeRound<sup>2</sup> app is available for select Android 5.0 + devices that support Bluetooth 4.0

Visit [www.mykronoz.com](http://www.mykronoz.com) to get the latest compatibility list.

ZeRound<sup>2</sup>HR will sync the notifications of SMS, emails, social media, calendar events, and personal life reminders once ZeRound<sup>2</sup> App has been successfully installed on your smartphone. Please note some features will not work unless ZeRound<sup>2</sup> App has been installed on your smartphone

### 3. CALLS

---

ZeRound<sup>2</sup> allows you to make and receive calls.

#### MAKING A CALL FROM THE PHONE MENU

Go to the **Phone menu**, enter a number with the dialer pad and tap on 

#### MAKING A CALL FROM THE PHONEBOOK

Go to the **Phonebook** panel, select a contact and tap on 

## INCOMING CALL OPTIONS

1. ANSWER
2. REJECT
3. MUTE

## IN-CALL OPTIONS

1. TURN OFF THE MICROPHONE
2. END CURRENT CALL

## 4. CALL HISTORY

---

From the [Call history](#) menu, see the list of recent incoming and outgoing calls. Tap on the call to view the contact's name, phone number and make a call directly or send a SMS (Android only).

## 5. SMS

---

After a successful Bluetooth connection and installation of [ZeRound<sup>2</sup> App](#), you can read SMS messages on your ZeRound<sup>2</sup>HR.

### QUICK REPLY

You can reply using the SMS template (Android only).

## 6. NOTIFICATIONS

---

After successful Bluetooth connection and installation of **ZeRound<sup>2</sup> App** on your smartphone, **ZeRound<sup>2</sup>HR** will show notifications of SMS, emails, social media, calendar events and personal life reminders.

### SETTING UP NOTIFICATIONS FOR IOS USERS

Go to the **Settings** of your iOS device:

- Tap on **Notifications**
- Select which type of notifications you wish to receive on **ZeRound<sup>2</sup>HR**
- Enable **Show in Notifications** to receive the notification on **ZeRound<sup>2</sup>HR**

You can also set up daily life reminders: open **ZeRound<sup>2</sup>HR** mobile application, click on the reminders tab, set up your preferred reminder type and time. **ZeRound<sup>2</sup>HR** will gently vibrate and display the corresponding icon to alert you

## 7. VOICE CONTROL

---

Use the **Voice Control** feature to voice command your mobile device remotely or search information from the Internet.

To start using the feature, tap on the **Voice Control** icon to open the respective page on ZeRound<sup>2</sup>HR.

Then tap on the **Voice Control** again to turn the function on or off.

*Examples of what you can ask or do:*

- Call (name of your contact)
- Send a SMS to (name of your contact)
- What's the weather like?
- Set an alarm for tomorrow 5 am

This feature is available with iOS 8+ devices that support Siri and Select Android 5.0+ devices that support Google Now. To use voice control, your smartphone must have access to the Internet using either 3/4G or Wifi

## 8. ACTIVITY

---

Tap on the **Activity** icon to open the **Activity** menu.

- Swipe left or right to see your results of steps, distance, calories and active minutes

**Activity Goals:**

- Press on the **Goals** icon to change your daily goals

## 9. HEART-RATE

---

In order to activate the **Heart rate monitor**, please select the heart rate interface on your device.

- Then, tap once the screen to start monitoring your heart rate.
- You can also enable automatic monitoring by going to the **Settings** tab of your mobile **App**, then click on the **Heart Rate** section and enable automatic tracking.
- Once activated, the device emits a green light via two LEDs installed at the back of the unit.

## 10. SLEEP

---

ZeRound<sup>2</sup>HR tracks the hours slept and the quality of your sleep (light sleep & deep sleep).

### Start/Exit sleep mode:

- Press on the sleep icon on ZeRound<sup>2</sup>HR
- Long press on **Start** to start monitoring your sleep
- Long press on **End** to stop monitoring your sleep

### Sleep goals:

- Press on the sleep icon on ZeRound<sup>2</sup>HR
- Slide to the right to set up your daily sleep goals
- Sleep Goal is 8 hours by default

## 11. FIND MY PHONE

---

To enjoy this feature, make sure ZeRound<sup>2</sup>HR is connected to your smartphone via Bluetooth and mobile app. Enabling **Find my phone** function will make your phone ring and help you find it.

## 12. CAMERA REMOTE

---

To enjoy this feature, make sure the camera of your smartphone is on. Enabling **Camera Remote** function will let you take pictures remotely from your ZeRound<sup>2</sup>HR

## 13. APPS

---

Several applications can be found in this menu:

- |                   |             |                  |
|-------------------|-------------|------------------|
| ■ Calendar        | ■ Alarm     | ■ Calculator     |
| ■ Anti-Lost Alert | ■ Stopwatch | ■ Sound recorder |

## 14. MUSIC

---

The music of your paired smartphone will be synchronized to ZeRound<sup>2</sup>HR. In the **Music** panel, play / pause the current song streamed on your phone, choose the previous or next song.

## 15. SETTINGS

---

Use the **Settings** panel to configure the settings of your ZeRound<sup>2</sup>HR

- |                              |           |                 |
|------------------------------|-----------|-----------------|
| ■ Bluetooth                  | ■ Reset   | ■ Watch info    |
| ■ Clock                      | ■ Sound   | ■ Language      |
| ■ Wake screen on wrist flick | ■ Display | ■ Power display |

International warranty	1 year

# SAFETY INSTRUCTIONS

---

Before using the device, read these instructions carefully.

## BATTERY

- ZeRound<sup>2</sup> HR has built-in batteries. Do not disassemble the battery on your own. KRONOZ LLC is not responsible for any damage or personal injury caused by the removal of the battery or any component.
- Charge the battery in a cool, ventilated room. Excessive temperature during charging could cause heat, smoke, fire or deformation of the battery or even explosion. Avoid excessive temperatures. Do not expose batteries in the sun, excessive smoke or dust.
- Do not open, crush, bend, deform, puncture or shred secondary cells or batteries. In the event of a battery break or leak, prevent battery liquid contact with skin or eyes. If this happens, immediately flush the areas with water (do not rub the eye) or seek medical help.
- Do not short-circuit. Short-circuiting can occur when a metallic object, such as coins, causes direct connection of positive and negative terminals of the battery. Short-circuiting may damage the battery.
- Do not use batteries that have been damaged or have been exhausted.
- Keep the batteries out of children's reach and in a safe place to prevent danger.
- Do not place the batteries in the water.

- Do not dispose of batteries in fire as they may cause explosion. Dispose of used batteries in accordance with your local regulations (such as recycling). Do not dispose as household waste.
- Use only the USB cable supplied to charge this battery. Do not charge for more than 24 hours.
- Do not attempt to repair or maintain the watch by yourself, service and maintenance should be performed by authorized technicians.

#### CAUTION

- This device has a recording function. Please be sure to comply with the relevant laws and regulations on the use of these features. In accordance with relevant regulations, without permission any personal characteristic sound recording being copied and disseminated may be seen as an invasion of privacy. Inappropriate use of photography, video and photo, audio recording function records could violate the copyright owner's rights. For this, the user must assume full responsibility. KRONOZ LLC is not responsible for any damage caused by improper use of the device.
- This device is not waterproof. Do not immerse the device in water or any other liquids.

#### RF exposure statements

This Transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

# REGULATORY NOTICES

---

## FCC STATEMENT

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

## CAUTIONS

Any changes or modifications not expressly approved by the party responsible for compliance could void your authority to operate the equipment.

## FCC NOTICE

**Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules.**

These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions,

**may cause harmful interference to radio communications.**

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on,

, the user is encouraged to try to correct the interference by one or more of the following measures:

—Reorient or relocate the receiving antenna.

—Increase the separation between the equipment and receiver.

—Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

—Consult the dealer or an experienced radio/TV technician for help.

FCC ID : 2AA7D-ZERD2

## CANADA

### INDUSTRY CANADA (IC) STATEMENT

This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Cet appareil est conforme à la norme CNR d'Industrie Canada applicable aux appareils radio exempts de licence. Son utilisation est soumise aux deux conditions suivantes: (1) cet appareil ne doit pas provoquer d'interférences et (2) l'utilisateur de cet appareil doit accepter toute interférence, y compris les interférences qui peuvent causer un fonctionnement indésirable du dispositif.

IC : 12131A-ZERD2

This device complies with the ISED RSS-102 RF exposure limit  
set forth for an uncontrolled environment and are safe for intended operation as described in this manual.

Déclaration d'exposition aux radiationsCet appareil est conforme aux limites d'exposition aux rayonnements  
Canada établies au pour un environnement non contrôlé et ne présente pas de risque  
dans le cadre d'une utilisation conforme à celle décrite dans ce manuel.

## DISPOSAL AND RECYCLING INFORMATION

After the implementation of the European Directive 2002/96/EU in the national legal system, the following applies: Electrical and electronic devices may not be disposed of with domestic waste. Consumers are obliged by law to return electrical and electronic devices at the end of their service lives to the public collecting points set up for this purpose or point of sale. Details to this are defined by the national law of the respective country. This symbol on the product, the instruction manual or the package indicates that a product is subject to these regulations. By recycling, reusing the materials or other forms of utilizing old devices, you are making an important contribution to protecting our environment.

This manual is applicable for ZeRound<sup>2</sup> HR Premium and ZeRound<sup>2</sup> HR Elite
