Columbia, MD 21046

SUBJECT: Class II Permissive Change for FCC ID: 2AA93-1316

The product, Bluetooth Module, FCC ID: 2AA93-1316, (Grant date: 02/19/2019). The intention of this application is to enable the modular certified FCC ID: 2AA93-1316 to be integrated in EROAD electronic distance recorder, Model: Ehubo2.2.

The module installed into host platform mentioned above is electronically and mechanically identical to the original certified module. The original FCC testing on module the antenna was connected to the module in an open environment. The current host platform under application uses antenna with different gain and is installed inside the host platform enclosure. Since the different antenna, we performed below items.

1. Full DTS/DSS testing is performed to confirm compliance.
2. RF Exposure Evaluation is performed to confirm compliance.

Should you have any questions or comments regarding this matter, please have my best attention.
Sincerely yours,
