

## Declaration Letter of Changing ID

December 26, 2013

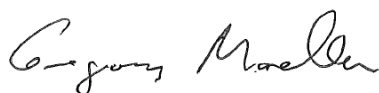

Federal Communications Commission  
Equipment Authorization Division,  
Application Processing Branch  
7435 Oakland Mills Road  
Columbia, MD 21046

We Kodak Alaris Inc. are requesting a change of ID grant for Original FCC ID: BGBCP-D70DW and we will be identifying it with FCC ID: 2AA9A-305-PRINTER.

The equipment is electrically identical. The original test results are applicable and representative of this changed device.

Only the model name and FCC ID number are different. Meanwhile we are not submitting the external/ internal photos and product catalogue this time because there is no change on its external.

Sincerely,

Gregory Moeller  
HSE Product Specialist  
Kodak Alaris Inc.
