Attention: Federal Communications Commission
Authorization and Evaluation Division

RE: Request for Confidentiality
Applicant: Levven Electronics Ltd.
FCC ID: 2AA9N-LCQ2

To Whom It May Concern:

Request is hereby submitted by Levven Automation Inc. to permanently withhold from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description
- Tune up procedure
- Parts list

Rationale for request for confidentiality:

Levven Automation Inc. has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the aforementioned confidential portions of this application would reveal key aspects of proprietary technology to competitors and diminish the value of our investment in research and development.

If you have questions or need further information, please contact the undersigned.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Qualie".

Jim Qualie
Director of R&D
Levven Electronics Ltd.
