Subject: Request for Confidentiality

To Whom It May Concern:

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47 CFR §§ 0.457, 0.459), we are requesting the Commission to withhold the following attachments as confidential documents from public disclosure indefinitely.

Theory of Operation

The above mentioned documents contain detailed system and equipment descriptions and are considered proprietary information in operation of the equipment. The public disclosure of above documents may be harmful to our company and would give competitors an unfair advantage in the market.

It is our understanding that all measurement test reports, FCC ID label format and correspondence during the certification review process cannot be considered confidential documents and will be available for public review once the equipment authorization is issued.
