Brea, California 92823

Subject: Modifications to the device

To Whom It May Concern,

TiaLinx would like to formally notify you that the following modifications have been received and completed by Compatible Electronics, Inc. to our (Eagle5-N Sense-Through-The-Wall sensor) during FCC certification, and will be implemented in FCC Certified Production models.

Modifications:

1. A single 3dB attenuator SMA MUU5550 made by Mini-Circuits Inc. placed between antenna and the transmitter output.
2. Three Ferrite beads from Fair-Rite Product Corp. MN: 0431173951.

If you have any questions, please do not hesitate to contact me at 949-285-6255.

Sincerely,

A handwritten signature in black ink, appearing to read 'Fred Mohamadi', is written over a light gray rectangular background.
