Ref: FCC Class III Permissive change for FCC ID: 2AAEH-107
Applicant: CBF Networks, Inc dba Fastback Networks

Dear Examiner,

This is to request a Class III permissive change for FCC ID: 2AAEH-107.

2AAEH-107 has one band certified under 15.247. With the recent rules modification, this device can be certified under the new 15.407 rules without any changes to the product.

This Class III permissive changes the 5.8 GHz band operation from 15.247 to 15.407.

No changes were made to the product, including no changes to the Software Distribution and Security mechanisms. As such the documentation with the original grant still applies.

If you have any questions regarding this application, please feel free to contact me.

Sincerely yours,

David Koberstein
