Notice:

- 1) The working distance may be varied in different environments.
- 2) Turn off the earbuds when not in use.
- 3) Do not expose the earbuds to excessive heat, including direct sunlight and fire.
- 4) Do not allow the earbuds to be submerged in water or get wet. These earbuds are in compliance with the specified Bluetooth version. This does not guarantee compatibility of all functions on every Bluetooth enabled device. Please check your mobile device user's manual for functionality.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
 - Increase the separation between the equipment and receiver.
 - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
 - Consult the dealer or an experienced radio/TV technician for help
- Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

EARDOTS Totally Wireless Earbuds

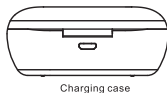

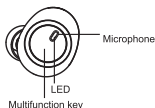

User Manual

FCC ID: 2AAENEARDOTS

Made in China asi/57653

Earbud Overview

Package Contents

- 1 x manual
- 1 x charging cable
- 1 x charging case
- 2 x ear caps

Charging

Charging the Battery Case

Note: Micro USB chargers can be used to charge the battery case. For optimal AC charging, please use a charger with a maximum output of

2.1a. Examples include computer USB ports or mobile phone chargers.

- 1) Charging: LED lights on front will flash
- 2) Charging is finished: LED lights stay solid
- 3) Charge time: 1.5-2 hours

Charging the Earbuds

Put the earbuds into the battery case, the red light means the earbuds are charging.

Warning

There are no servicable parts inside the earbuds or charging case.

How to Pair the Earbuds

- 1) When removing the earbuds from the charging case, you will hear a voice prompt that says, "Power on, your device is connected." The left and right earbuds have paired successfully.
- 2) To pair to mobile devices, turn on Bluetooth on the device, select the device name EARDOTS. The earbuds will then be connected to the mobile

device.

Troubleshooting

If you have followed the above steps and still are unable to pair the earbuds to the mobile device, try one of the following solutions:

Option 1. Put the earbuds in the charging case and follow the steps again.

Option 2. Turn the earbuds on, double press the right earbud to reset the pairing. Follow steps 1 and 2 again.

Powering On/Off

Press the Multifunction Key for 3 seconds and the LED will turn off and both earbuds will power off. You should hear a voice prompt that says, "Power on" or "Power off."

Answering Calls Press the Multifunction key once when a call is coming in.

Ending Calls Press the Multifunction key once to end a call.

Rejecting Calls Press the
