

A red wireless game controller is shown from a top-down perspective. The controller has a symmetrical design with two analog sticks, a central directional pad, and several buttons. The text "31*23mm" is overlaid on the left side of the controller.

31*23mm

FCC ID: 2AAFASY-E527 -003-08
This device complies with Part 15 of
the FCC Rules. Operation is subject
to the following two conditions: (1)
this device may not cause harmful
interference, and (2) this device must
accept any interference received,
including interference that may cause
undesired operation.
