To whom it may concern:

We,

**Sequans Communications**  
15-55 Boulevard Charles de Gaulle 92700 Colombes  
France

through the following attestation, hereby address the fourth requirement to support modular approval

- This device is designed for mobile or fixed operation; portable operation is subject to a Class 2 permissive change application or to a new and separate FCC ID.
- The maximum antenna gain is limited to those calculated in the RF exposure exhibit.
- The product has a FCC ID label on the device itself. Also, the OEM host end product manufacturer will be informed to display a label referring to the enclosed module.
- We request to include in the grant the following words in the device description or grant notes: "modular transmitter" or "transmitter module".

If there are any additional questions or if further information is needed, please contact us.

Sincerely
