## IMPORTANT SAFETY AND HANDLING INFORMATION.

**WARNING: CHOKING HAZARD.**  
Small parts. Not for children under 3 years

**Do not disassemble DICE+.** To reduce the risk of damage or injury do not attempt to disassemble DICE+. No user-serviceable parts are contained inside.

**Seizures, Blackouts, and Eyestrain.** A small percentage of people may be susceptible to blackouts or seizures (even if they have never had one before) when exposed to flashing lights or light patterns such as when playing games or watching video. If you have experienced seizures or blackouts or have a family history of such occurrences, you should consult a physician before playing games or watching videos. Discontinue use of DICE+ and consult a physician if you experience headaches, blackouts, seizures, convulsions, eye or muscle twitching, loss of awareness, involuntary movement, or disorientation. To reduce the risk of headaches, blackouts, seizures, and eyestrain, avoid prolonged use, hold your smart

device compatible with DICE+ at a certain distance from your eyes, use DICE+ in a well lit room, and take frequent breaks.

**Choking Hazards.** DICE+ contains small parts, which may present a choking hazard to small children. Keep DICE+ away from small children.

**Repetitive injury.** When you perform repetitive activities such as playing games on digital devices using your digital board games controller, you may experience occasional discomfort in your hands, arms, shoulders, neck, or other parts of your body. Avoid excessive play. It is recommended that parents monitor their children for appropriate play. Take frequent breaks and if you have discomfort during or after such use, stop use and see a physician.

**Never:** abuse, kick, hit, chew, swallow, crush, dip in water or drop DICE+ with excessive force.

**Cleaning.** Clean DICE+ only by wiping it with a moist cloth.

**Keep DICE+ within acceptable temperatures.** Operate and store DICE+ in a place where the temperature is between 0 and 50 degrees Celsius (32 to 122 degrees Fahrenheit).

Never expose it to extreme environmental conditions.

**Magnetic field.** Keep the device away from magnetic fields - they may cause permanent damage.

**Potentially Explosive Environment.** Don't use DICE+ when in any area with a potentially explosive environment. In such situations, do not charge DICE+ and obey all signs and instructions. Sparks in such areas could cause an explosion or fire, resulting in serious injury or even death.

Areas with a potentially explosive environment are often, but not always, marked clearly. Potential areas may include: fueling areas (such as gas stations); areas below deck on boats; fuel or chemical transfer or storage facilities; vehicles using liquefied petroleum gas (such as propane or butane); areas where the air contains chemicals or particles (such as grain, dust, or metal powders); and any other area where you would normally be advised to turn off your vehicle engine.

**Charging DICE+.** To charge DICE+, only use the micro USB cable enclosed to DICE+. Do not connect or disconnect the micro USB cable with wet hands. Disconnect the micro USB cable if it has become frayed or damaged or if DICE+

is exposed to rain, liquid or excessive moisture while charging, Game Technologies S.A. is not responsible for the operation of third-party accessories or their compliance with safety and regulatory standards.

### BATTERY WARNING

Lithium Polymer batteries are extremely hazardous and liable to cause serious injuries to persons or property. The user accepts liability for use of a Lithium Polymer battery. As the manufacturer and the distributor cannot ensure the battery is used correctly (charging, discharging, storage, etc.), they cannot be held liable for damages caused to persons or property.

In the event of battery leakage, avoid having the liquid coming into contact with skin and eyes. In case of contact with skin, wash thoroughly with soap and water. In case of contact with eyes, rinse copiously with cold water and consult a doctor.

If you notice a suspicious smell or noise or observe smoke around the charger, disconnect it immediately. To avoid battery leakage: Do not expose the battery to excessive physical shock, vibration, or liquids. Do not disassemble, attempt to repair or deform the battery. Do not dispose of the battery pack in a fire. Do not touch the terminals of the battery, or cause a short between the terminals with a metal object. Do not peel or damage the battery label.

**Battery disposal.** Discarding DICE+ and its batteries in your general household waste can be harmful to the environment. Damaged or unusable batteries must be disposed of in a container specially reserved for this purpose. When disposing of the battery, follow appropriate local guidelines and regulations. For further information contact your local solid waste authority.

Never disassemble a battery. Should a battery unintentionally be crushed, thus releasing its contents, rubber gloves must be used to handle all battery components. Avoid inhalation of any vapors that may be emitted.
